

MICHAEL KORS

To Our Michael Kors Community,

The events of the past days and weeks have been unprecedented, however, our main priority continues to be the health and well-being of our associates, our customers and our community.

As a result, we have made the decision to close all of our stores in North America effective March 18, 2020 through April 10, 2020.

Taking care of our associates is core to who we are, so we have committed to pay our store employees during this period. We are monitoring this situation and will continue to make decisions that are in the best interest of our team, our customers and the greater community.

We will continue to serve you online and we are offering free ground shipping as an added service during this time.

As you know, this is an evolving situation, so we will update you as necessary. In the meantime, please take care of yourself and your loved ones.
